

BASEBALL PROGRAMS

HOUSE LEAGUE – BOYS & GIRLS

The House League Program is all about recreational baseball – focusing on skill and personal development and stressing participation for all. Teams play other Martingrove teams and at some levels interlock with local leagues. Martingrove offers continuous play from May to August/September ending with playoffs. Players receive medals/trophies for participation. The commitment is a minimum of one game and one practice per week. Players must provide their own helmet.

GIRLS FASTPITCH SOFTBALL

Martingrove offers an exciting and challenging fastpitch softball program for females. Teams play in a competitive interlocking female fastpitch loop with travel between Mississauga and Etobicoke. Tournament play is also available during the season.

SELECT/REP BASEBALL

For those players who are interested in playing more baseball, we offer Select and Rep Baseball. These teams and players represent MARTINGROVE BASEBALL against surrounding Toronto/GTA teams.

Games are played throughout the week. Participation in weekend tournaments is also required to keep the competitive edge. The season starts in early September with tryouts, and continues with a winter program and spring training – all in preparation for the coming season. The commitment can be up to 2 practices and 2 games per week.

For both Select and Rep, the registration fees shown are paid to the league to cover costs (including but not limited to equipment, baseballs, training, permits, insurance, team and individual photos, and umpiring). Players and parents are responsible for additional costs such as tournament entry fees and related transportation and/or accommodations. Uniforms are included with registration fee.

BLASTBALL

BlastBall provides an ideal entry level of play for the youngster who will go on to other advanced levels of the game. It is geared to boys and girls aged 4 and 5 years old. BlastBall is meant to put FUN back in to the game of baseball. It is designed to generate fast-paced action, provide recreation and exercise, create enthusiasm and encourage children to continue to play the game.

This program teaches all five basic fundamentals of baseball – hitting, throwing, catching, running and fielding. It is also a ton of fun with fast continuous action and simple rules.
